Clarification on JORC Code Compliance

Ausmon Resources Limited (ASX: AOA) wishes to clarify statements on JORC Code compliance with respect to the Quarterly Activities Report released on 15 April 2014 and the announcement of Commencement of Gravity Survey in EL 6424 released this morning.

The information contained in those two releases was prepared and first disclosed under the JORC Code 2004. It has not been updated since to comply with the JORC Code 2012 on the basis that the information has not materially changed since it was last reported.

The revised statement on Competent Person in each of the releases should read as follows:

“The information in the report above that relates to Exploration Results is based on information compiled by Dr Pieter Moeskops, the principal of Agaiva Holdings Pty Ltd and a member of The Australasian Institute of Mining and Metallurgy.

Dr Moeskops has sufficient experience that is relevant to the style of mineralization and type of deposit under consideration and to the activities which he is undertaking to qualify as a Competent Person as defined in the 2004 Edition of the Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves. Dr Moeskops consents to the inclusion in this report of matters based on his information in the form and context in which it appears.”
