EXPLANATORY STATEMENT

This Explanatory Statement provides information to shareholders for the Annual General Meeting of shareholders of Ausmon Resources Limited to be held on **29 November 2019 at 12:15 pm** at the **Offices of Piper Alderman, Level 23, Governor Macquarie Tower, 1 Farrer Place, Sydney** and it should be read in conjunction with the accompanying Notice of Annual General Meeting.

Receipt of Financial, Directors' and Auditor's Reports

The first item of business deals with the Financial Report of the Company, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2019. Shareholders are to consider these reports and seek explanations, if required, from the Directors when the reports are presented to the meeting. No resolution is required on these reports and they are only required to be laid at the meeting in accordance with Section 317 of the Corporations Act 2001.

Resolution 1 - Adoption of the Remuneration Report

The Remuneration Report contained in the Directors' Report of the Annual Report must be put to the vote for its adoption in accordance with Section 250R(2) of the Corporations Act 2001. The vote on this resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report can be found on pages 35 to 38 of the 2019 Annual Report.

Resolution 2 - Election of Director – Mr Boris Patkin

Mr Patkin holds a Bachelor of Science (Industrial Chemistry) with a number of industry qualifications. He worked for the Shell Group from 1973 – 1980 and subsequently operated his own businesses for many years in various industries, including textile, footwear, freight forwarding, property and independent living communities. He is presently an authorised representative at Morgans stockbroking division dealing in generic securities, margin lending and managed investments.

Resolution 3– Approval of Ausmon Employee Incentive Plan 2019

The Company had in place an employee incentive scheme known as the Ausmon Employee Incentive Plan 2016 ("Plan") which was approved by shareholders on 30 November 2016. The Plan gave the Directors, employees and contractors ("Eligible Persons") the opportunity to participate in the equity of the Company.

The Company has to date issued 21,100,000 shares excluding renounced options and shares under the Plan and any other employee share scheme of the Company in respect of shares or grant of options over a period of 5 consecutive years. In accordance with the Listing Rules of ASX Limited ("ASX"), after 29 November 2019 the Company cannot rely on Exception 9 of Listing Rule 7.2 to issue securities to Eligible Persons under the Plan.

Listing Rule 7.1 of the ASX limits the number of ordinary shares the Company may issue without the approval of its shareholders to 15% of issued capital unless the issue can be brought within one of the exceptions set out in Listing Rule 7.2. Exception 9 of Listing Rule 7.2 permits issues under an employee incentive scheme if within three years before the date of issue the scheme has been approved by shareholders. If the Ausmon Employee Incentive Plan 2019 ("EIP 2019") is approved at the Annual General Meeting, the Directors may issue securities under the EIP 2019 until its expiry on 28 November 2022. Accordingly, Resolution 3 seeks approval for the issue of securities from time to time under the EIP 2019 during its currency.

The Rules for the EIP 2019 are summarised in the following paragraphs:

1. The EIP 2019 will be open to full time or part time employees, contractors, Directors and officers of the Company or a controlled entity of the Company ("Eligible Persons").
2. Under the EIP 2019, the Directors at their discretion may offer ordinary fully paid shares in the Company or options to acquire ordinary fully paid shares in the Company to Eligible Persons. Shareholders must first approve any offer to a Director or anyone that the ASX considers that approval should be obtained in accordance with the Listing Rules.

3. The shares issued under the EIP 2019 have the same rights as other ordinary fully paid shares in the Company subject to restrictions on transfer and dealing with (i.e. sell, mortgage, pledge or otherwise encumber), which apply where a loan made by the Company remains unpaid, when any specified Qualifying Conditions have not been satisfied and during a Qualifying Period.
4. The subscription price for shares will be at the Market Value of the shares on the day an offer is decided i.e. the weighted average of the prices at which the shares were traded in the five business days prior to the offer ("Market Value").
5. The Company at the time of making an offer to purchase shares may also provide an interest free loan to assist with purchase of those shares. Unless otherwise specified in the offer document the terms of the loan will be as follows: -
 - The loan will be interest free and for a term of 5 years;
 - If a disqualifying event (as defined in the EIP 2019 Rules) occurs, the Company may sell the shares and after costs apply the sale proceeds to repay the outstanding amounts of the loan. If there is a shortfall between the loan amount still owing and the sale price, the plan participant will not be required to make good the shortfall. If there is a surplus after the sale of the shares the EIP 2019 participant is only entitled to the surplus if the Qualifying Period described in paragraph 7 below has expired and all Qualifying Conditions have been satisfied.
 - If at the expiry of a loan term, an EIP 2019 participant does not repay the loan, the Company may sell the shares and after costs, repay the loan. Any surplus will be paid to the participant provided all Qualifying Conditions have been satisfied. No shortfall between the sale price and the loan amount will be recoverable from the participant.
6. While an offer to take up shares under the EIP 2019 will be at Market Value the incentive for Eligible Persons to accept the offer is the granting of an interest free loan to fund all or part of the purchase price.
7. In certain circumstances, the Directors may specify in an offer to an Eligible Person that the Eligible Person may not transfer or deal with (i.e. sell, mortgage, pledge or otherwise encumber) the shares for a certain period of time ("Qualifying Period") and until certain conditions have been satisfied ("Qualifying Conditions"). Where the Company issues shares under the EIP 2019 and there is a loan granted to purchase those shares, the Company retains a lien over the shares until such time as the loan is repaid in full.
8. Options offered under the EIP 2019 ("EIP Option") are issued free. EIP Options will be exercisable at the price specified in the offer. However, the exercise price will be not less than the Market Value of a share at the time of offer of the option. The term of any EIP Option cannot be more than 5 years.

The terms and conditions of the EIP Option are as follows:

- a. Each EIP Option entitles the holder to subscribe for one fully paid ordinary share in Ausmon Resources Limited ("Share").
- b. The EIP Option shall expire at 5.00 pm NSW Standard Time on (*date to be specified at time of issue of EIP Option*) ("Expiry Date"). Any EIP Option which has not been exercised prior to the Expiry Date automatically lapses.
- c. The EIP Option is exercisable at an exercise price of (*price to be specified at time of issue of EIP Option*) per Share at any time on or before the Expiry Date.
- d. The EIP Option is not transferable.
- e. All Shares issued pursuant to the exercise of the EIP Options will be allotted within 10 business days after the exercise of the EIP Options and will rank pari passu in all respects with the Company's then existing Shares. If Ausmon Resources Limited ("Company") is listed on the Australian Securities Exchange ("ASX"), the Company will apply for official quotation by ASX of all Shares issued upon exercise of the EIP Options on or before the third business day on which ASX is open after the date of allotment of the Shares.
- f. There are no participating rights or entitlement inherent in the EIP Options and holders will not be entitled to participate in new issues of capital offered to shareholders during the currency of the EIP Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 10 business days after the issue is announced. This will give EIP Option

holders the opportunity to exercise their EIP Options prior to the date for determining entitlements to participate in any such issue.

- g. In the event of reorganisation (including a consolidation, sub-division, reduction or return) of the issued capital of the Company, the number of EIP Options or the exercise price of the EIP Options or both shall be reorganised (as appropriate) in the manner required by the Listing Rules of ASX.
- h. If there is a pro-rata issue (except a bonus issue) to shareholders, the exercise price of each EIP Option shall be reduced according to the following formula:

$$O' = O - \frac{E[P-(S+D)]}{N + 1}$$

Where

O' = the new exercise price of EIP Option.

O = the old exercise price of EIP Option.

E = the number of Shares into which one EIP Option is exercisable.

P = the average market price per Share (weighted by reference to volume) during the 5 trading days ending on the day before the ex-rights or ex-entitlements date.

S = the subscription price for a Share under the pro-rata issue.

D = the dividend due but not yet paid on the Shares (except those to be issued under the pro-rata issue).

N = the number of Shares with rights or entitlements that must be held to receive a right to one Share.

- i. If there is a bonus issue to the shareholders, the number of securities over which the EIP Option is exercisable will be increased by the number of Shares which the holder of EIP Option would have received if the EIP Option had been exercised before the record date for the bonus issue.
 - j. If and to the extent any of the preceding terms and conditions are inconsistent with the rules or requirements of any stock exchange on which Shares are listed or are proposed to be listed from time to time, the rules of the relevant stock exchange will prevail in all respects to the extent of the inconsistency.
 - k. These terms and conditions are governed by the laws of the State of New South Wales and the holder of the EIP Options unconditionally submits to the jurisdiction of the courts of that State and courts of appeal from them.
9. Options cannot be exercised in any Qualifying Period specified in the offer and/or the Qualifying Conditions have not been satisfied or in certain circumstances (e.g. the participant ceases to be an Eligible Person).
 10. The total number of shares issued and under option pursuant to the EIP 2019 or any other employee share scheme of the Company in respect of shares or grant of options over a period of 5 consecutive years will not exceed 20% of the total issued shares of the Company; however the 20% limit shall exclude expired or renounced options and renounced Shares that have been offered.
 11. Options issued under the EIP 2019 will not be listed for quotation on any stock exchange.
 12. In the event of a reconstruction of the Company's issued capital, the number of options will be reconstructed in a manner so as to ensure that option holders did not receive a benefit, which is not also received by shareholders of the Company and in accordance with the Listing Rules of ASX.
 13. In the event of a takeover offer for shares in the Company, the Company will use its reasonable endeavours to procure that an offer or invitation is also made to option holders. If this cannot be procured, then option holders will have the right to exercise their options irrespective of any Qualifying Period, Qualifying Conditions or other limitations.
 14. An option holder cannot participate in new issues of securities of the Company without first exercising the option.

15. By accepting an offer of shares or options in accordance with the EIP 2019, a participant agrees to be bound by the EIP 2019 Rules or other conditions contained in the offer document.
16. The EIP 2019 Rules must comply with the Listing Rules of ASX and Corporations Act 2001 requirements.
17. Any amendment to the EIP 2019 Rules will also be subject to Listing Rules of ASX and Corporations Act 2001 requirements.
18. The EIP 2019 may only be amended by a resolution of the shareholders of the Company.

The detailed EIP 2019 Rules may be inspected during normal business hours at the registered office of the Company by prior appointment with the Company Secretary.

Resolution 4 – Approval for issue of up to 150,000,000 new shares

Subject to the approval of shareholders, the Company proposes to issue up to 150,000,000 fully paid ordinary shares at a price per share that is at least 80% of the volume weighted average market price for the share calculated over the last 5 days on which sales in the shares were recorded before the day on which the issue is made.

The shares proposed to be issued have the same rights as other fully paid ordinary shares of the Company already on issue.

The amount to be raised is to be applied to fund the Company's exploration activities, appraisal of corporate opportunities, investment in new ventures, if any, the cost of placement of the shares and for general working capital.

The Company proposes to offer the shares to professional and sophisticated investors and other investors not requiring a disclosure document under section 708 of the Corporations Act that are known to the Company and/or introduced by stockbrokers. The shares will only be issued to those persons that accept an offer, if and when the proposed issue is approved by shareholders at the Annual General Meeting. The shares will not be offered to related parties. The Company may not issue all the securities for which approval is given. The Company may issue and allot the securities progressively as the Company places the securities with investors.

Shares approved under this Resolution 4 will be issued and allotted by the Company no later than three months from the date of the Annual General Meeting.
