Resolution 1 - Adoption of the Remuneration Report

The Remuneration Report contained in the Directors' Report of the Annual Report must be put to the vote for its adoption in accordance with Section 250R(2) of the Corporations Act 2001. The vote on this resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report can be found on pages 42 to 45 of the 2020 Annual Report.

Resolution 2 - Election of Director – Mr Eric W Y M Sam Yue

Mr Eric Sam Yue holds a Bachelor of Science in Economics and is a Chartered Accountant with international experience in both public accounting and commerce. His financial management and corporate experience span over 25 years in senior financial executive positions in professional services, shipping, mining and oil and gas companies in Australia and New Zealand in private and ASX listed companies.

Resolution 3 – Approval for 40,000,000 shares already issued in September 2020

On 28 September 2020, the Company issued 40,000,000 fully paid ordinary shares at a price of \$0.0075 per share raising \$300,000 cash ("September Issue"). The shares allotted have the same rights as other fully paid ordinary shares of the Company already on issue. The cash raised are applied to exploration expenditure, general working capital and expenses relating to the issue.

The shares were allotted to the following entities who are not related parties or members of key management personnel of the Company or their associates:

Entity	No. of Shares
Fort Capital Pty Ltd	28,000,000
Lawsam Pty Ltd	4,000,000
Jin Qin Wang	4,000,000
S A Palmer	4,000,000

Resolution 4 - Approval for 29,120,000 shares already issued in October 2020

On 22 October 2020, the Company issued 29,120,000 fully paid ordinary shares at a price of \$0.0075 per share raising \$218,400 cash ("October Issue"). The shares allotted have the same rights as other fully paid ordinary shares of the Company already on issue. The cash raised are applied to exploration expenditure, general working capital and expenses relating to the issue.

The shares were allotted for the full amount applied for and to all eligible shareholders who have submitted an application by the closing date of 15 October 2020 under the terms and conditions of the Share Purchase Plan 2020 Offer Document dated 15 September 2020 (see ASX announcements of 15 and 29 September 2020 for details of the offer).

Application of Listing Rules of ASX Limited to Resolutions 3 and 4

Subject to a number of exceptions, Listing Rule 7.1 of ASX Limited (“ASX”) limits the amount of equity securities that the Company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The September Issue does not fit within any of these exceptions. The October Issue under the Share Purchase Plan 2020 cannot rely on the Exception 5 of Listing Rule 7.2 because the Company has already undertaken a share purchase plan in November 2019 relying on that Exception 5 which is only available once in any 12 months period. As both the September Issue and the October issue have not yet been approved by the Company’s shareholders, they effectively use up part of the 15% limit in Listing Rule 7.1, reducing the Company’s capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following their issue dates.

Listing Rule 7.4 allows the shareholders of the Company to approve an issue of equity securities after it has been made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company’s capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolutions 3 and 4 seek shareholder approval to the September Issue and October Issue respectively under and for the purposes of Listing Rule 7.4.

If Resolutions 3 and 4 are passed, the September Issue and October Issue will be excluded in calculating the Company’s 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following their issue dates.

If Resolutions 3 and 4 are not passed, the September Issue and October Issue will be included in calculating the Company’s 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following their issue dates.

Resolutions 5, 6 and 7 – Approval for issue of Shares to Directors Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue under the Ausmon Employee Incentive Plan 2019 (“EIP 2019”)

The EIP 2019 approved at the Annual General Meeting held on 29 November 2019 gives the Directors, officers, employees and contractors (“Eligible Persons”) the opportunity to participate in the equity of the Company.

The Company proposes to issue new fully paid ordinary shares in Ausmon Resources Limited (“Shares”) to each of Directors Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue under the EIP 2019 (each an “EIP Issue”).

Listing Rule 10.14 of ASX provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- 10.14.1 a director of the company;
 - 10.14.2 an associate of a director of the company; or
 - 10.14.3 a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX’s opinion, the acquisition should be approved by the shareholders,
- unless it obtains the approval of its shareholders.

Each EIP Issue falls within Listing Rule 10.14.1 above and therefore requires the approval of shareholders under Listing Rule 10.14.

Resolutions 5, 6 and 7 seek the required shareholder approval to each EIP Issue under and for the purposes of Listing Rule 10.14.

If each of Resolutions 5, 6 and 7 is passed, the Company will be able to proceed with each EIP Issue and each Director’s interest in the Company will be increased by 5,000,000 Shares further aligning his interests with shareholders accordingly increasing the total shares on issue of the Company by 15,000,000 Shares. In addition, the EIP Issue will be excluded from the Company’s 15% limit in Listing Rule 7.1, effectively increasing the

number of equity securities it can issue without shareholder approval over the 12-month period following the EIP Issue date.

If any of Resolutions 5, 6 and 7 is not passed, the Company will not be able to proceed with the related EIP Issue and the relevant Director will not receive the proposed equity incentive benefit accordingly not increasing the total shares on issue of the Company.

Information to shareholders in accordance with Listing Rule 10.15 is as follows:

10.15.1 The Shares to be issued to Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue.

10.15.2 Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue are Directors of the Company.

10.15.3 5,000,000 Shares to be issued to each of Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue.

10.15.4 The total remuneration package of each Director in the financial year ended 30 June 2020, representing a reduction from 2019 considering the impact of Covid-19, is as follows:

Mr Boris Patkin - \$20,000 Director fees;
Mr John Wang - \$20,000 Director fees; and
Mr Eric W Y M Sam Yue - \$20,000 Director fees and \$43,020 management fees.

The remuneration for the financial year 2021 has not yet been determined by the Board and is anticipated to be similar subject to the level of activities and financial status of the Company.

10.15.5 The number of securities that have previously been issued to the Directors under any employee incentive plan of the Company are as follows:

Mr Boris Patkin - 6,000,000 Shares at \$0.01 per Share and 5,000,000 Shares at \$0.007 per Share;
Mr John Wang – 12,000,000 Shares at \$0.01 per Share and 5,000,000 Shares at \$0.007 per Share; and
Mr Eric W Y M Sam Yue – 5,000,000 Shares at \$0.007 per Share.

10.15.6 The Shares are fully paid ordinary shares.

10.15.7 The Shares will be issued within 12 months after approval is given by shareholders.

10.15.8 The Shares will be issued at \$0.0075 per Share.

10.15.9 A summary of the material terms of the EIP 2019 is as follows:

- (a) The EIP 2019 is open to full time or part time employees, contractors, Directors and officers of the Company or a controlled entity of the Company ("Eligible Persons").
- (b) Under the EIP 2019, the Directors at their discretion may offer ordinary fully paid shares in the Company or options to acquire ordinary fully paid shares in the Company to Eligible Persons. Shareholders must first approve any offer to a Director or anyone that the ASX considers that approval should be obtained in accordance with the Listing Rules.
- (c) In certain circumstances, the Directors may specify in an offer to an Eligible Person that the Eligible Person may not transfer or deal with (i.e. sell, mortgage, pledge or otherwise encumber) the shares for a certain period of time ("Qualifying Period") and until certain conditions have been satisfied ("Qualifying Conditions"). Where the Company issues shares under the EIP 2019 and there is a loan granted to purchase those shares, the Company retains a lien over the shares until such time as the loan is repaid in full.
- (d) The shares issued under the EIP 2019 have the same rights as other ordinary fully paid shares in the Company subject to restrictions on transfer and dealing with (i.e. sell, mortgage, pledge or otherwise encumber), which apply where a loan made by the Company remains unpaid, when any specified Qualifying Conditions has not been satisfied and during a Qualifying Period.
- (e) The subscription price for shares will be at the Market Value of the shares on the day an offer is decided i.e. the weighted average of the prices at which the shares were traded in the five business days prior to the offer ("Market Value").
- (f) The Company at the time of making an offer to purchase shares may also provide an interest free loan to assist with purchase of those shares.

- (g) The total number of shares issued and under option pursuant to the EIP 2019 or any other employee share scheme of the Company in respect of shares or grant of options over a period of 5 consecutive years will not exceed 20% of the total issued shares of the Company; however the 20% limit shall exclude expired or renounced options and renounced Shares that have been offered.
- (h) By accepting an offer of shares or options in accordance with the EIP 2019, a participant agrees to be bound by the EIP 2019 Rules or other conditions contained in the offer document.
- (i) The EIP 2019 Rules must comply with the Listing Rules of ASX and Corporations Act 2001 requirements.
- (j) Any amendment to the EIP 2019 Rules will also be subject to Listing Rules of ASX and Corporations Act 2001 requirements.
- (k) The EIP 2019 may only be amended by a resolution of the shareholders of the Company.

The detailed EIP 2019 Rules may be inspected during normal business hours at the registered office of the Company by prior appointment with the Company Secretary.

10.15.10A summary of the material terms of loans that will be made to the Directors in relation to the acquisition is as follows:

Subject to approval of shareholders, a non-recourse interest free loan of \$37,500 for a term of 5 years from the date of the issue of the Shares will be provided to each of Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue to acquire the Shares under the EIP 2019.

The Company will hold a lien over the Shares until the loan is repaid. If the loan is not repaid at the expiry of the term of the loan or if a disqualifying event occurs, the Company may sell the Shares and after costs apply the net sale proceeds to repay the outstanding amount of the loan. If there is a shortfall between the loan amount still owing and the net sale proceeds, Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue will not be required to make good the shortfall. If there is a surplus after the sale of the Shares Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue will be entitled to the surplus.

A disqualifying event occurs when (i) the Director ceases to be an Eligible Person; or (ii) the Director becomes an insolvent under administration; or (iii) the Director has perpetrated fraud against the Company; or (iv) the Director commits a breach of an obligation under the rules of the EIP 2019.

10.15.11 (a) Details of any securities issued under the EIP 2019 will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

(b) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the EIP 2019 after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

10.15.12 A voting exclusion statement is set out on page 2.

The EIP Issue will not be subject to a Qualifying Period or any Qualifying Conditions described in paragraph 10.15.9 (c) above.

The issue price per Share of \$0.0075 is the same as the price offered under the Share Purchase Plan 2020 dated 15 September 2020 and is at a premium of approximately 5.6% to the the volume weighted average price of the Share of \$0.0071 for the last five days on which sales in the Shares were recorded immediately prior to 20 October 2020, the business day the proposal is made by the Company for the grant of Shares under the EIP 2019 to the Directors.

The offer of the Shares combined with the grant of the loans to acquire the Shares under the EIP 2019 is akin to the offer of five-year options exercisable at \$0.0075 per option. Applying the Black Scholes Option Pricing model, the estimated value of the option equivalent being offered to the Directors at 19 October 2020 (the business day before the proposal was made for the grant of Shares under the EIP 2019), applying a risk free rate of 0.27% and expected price volatility of the Share price of 173.2% is \$0.0066 per option i.e. \$33,000 for 5,000,000 Shares offered to each of Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue.

Shareholder approval is also sought for the Company to make a non-recourse interest free 5 year loan of \$37,500 from the date of the issue of the Shares to each of Mr Boris Patkin, Mr John Wang and Mr Eric W Y M Sam Yue under the EIP 2019 to enable them to acquire the Shares. Funds received on repayment of the loans will be applied to general working capital.

The Directors believe that the grant of those Shares under the EIP 2019 is reasonable share-based remuneration supplementing the current short-term cash benefits and is an incentive that align the interests of those Directors with those of other shareholders.

Resolution 8 – Approval for issue of up to 175,000,000 new shares

The Company proposes to issue up to 175,000,000 fully paid ordinary shares (“Future Issue”) at a price per share that is at least 80% of the volume weighted average market price for the share calculated over the last 5 days on which sales in the shares were recorded before the day on which the issue is made.

The shares proposed to be issued have the same rights as other fully paid ordinary shares of the Company already on issue.

The amount to be raised is to be applied to fund the Company’s exploration activities, appraisal of corporate opportunities, investment in new ventures, if any, the cost of placement of the shares and for general working capital.

The Company proposes to offer the shares to professional and sophisticated investors and other investors not requiring a disclosure document under section 708 of the Corporations Act that are known to the Company and/or introduced by stockbrokers. The shares will only be issued to those persons that accept an offer, if and when the proposed issue is approved by shareholders at the Annual General Meeting. The shares will not be offered to related parties or key management personnel or their associates. The Company may not issue all the securities for which approval is given. The Company may issue and allot the securities progressively as the Company places the securities with investors.

Shares approved under this Resolution 8 will be issued and allotted by the Company no later than three months from the date of the Annual General Meeting.

Application of Listing Rules of ASX Limited to Resolution 8

Subject to a number of exceptions, Listing Rule 7.1 of ASX Limited limits the amount of equity securities that the Company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Future Issue does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company’s shareholders under Listing Rule 7.1.

If Resolution 8 is passed, the Company will be able to proceed with the Future Issue and raise capital as may be required to fund its activities. In addition, the Future Issue will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 8 is not passed, the Company will not be able to proceed with the Future Issue and will be restricted to raise capital with the issue of new shares without shareholder approval within the 15% limit in Listing Rule 7.1.

Resolution 8 seeks the required shareholder approval to the Future Issue under and for the purposes of Listing Rule 7.1.
